**Subj: Notice of the Sale of the Deer Creek Waste Rock Site, PacifiCorp, Deer Creek Mine, C/015/0018, Emery County Utah.**

This letter is to notify the Division of the sale of the Deer Creek Waste Rock Site to Bowie Refined Coal (BRC Wellington, LLC). The sales agreement (dated August 11, 2015) provides BRC with the entire 31.92 acre area of the waste rock disposal site. PacifiCorp no longer retains right of entry into this site.

Currently, PacifiCorp is working to remove the site from its operation and reclamation plan, as well as all reference to the site in the Legal and Financial Volume. We understand that BRC is also working to construct a plan to submit into the Division.

PacifiCorp is currently working with the Mine Safety and Health Administration (MSHA) to transfer the MSHA ID to BRC. If you have any questions or concerns regarding this notification, please contact myself at 435-687-4712 or Dennis Oakley at 435-687-4825.

Sincerely,

Kenneth Fleck  
Geology and Environmental Affairs Manager
